Expressions of Interest

Tasmanian Redline Coaches is seeking expressions of interest for experienced, professional Tour Drivers to join our team.

About us

For more than 90 years and across four generations Redline and the Larissey family have built the most trusted and experienced coach transportation company in Tasmania. Established in 1929 by Percy Larissey, Redline has become a household name in Tasmania. Still a family owned company, today Redline is run by Frank's son Michael and his two children Rowan and Claire. In addition to our touring work, we also perform general access services, school services, and a large range of charter services across the state.

Redline is contracted for Tasmanian touring services by some of the largest touring companies in Australia. We deliver a luxury coach experience for large touring groups departing from both Hobart and Launceston with tours operating between 5 and 12 days in duration. The touring season runs from September to May.

About you

You will have a Heavy Rigid vehicle licence and experience driving 13.5 metre coaches or larger. You have impeccable presentation and the drive to maintain the presentation and appearance of a 5-star luxury coach captain while you are on tour. As a seasoned professional tour driver you have an outstanding personality with charm, patience, communication and interpersonal skills, and a willingness to go above and beyond for your customers to deliver a luxury touring experience.

Knowledge of Tasmania will be advantageous, however as a career tour driver we also know that you will be able to learn the required knowledge quickly and we have a group of experienced tour drivers in our team who will be able to assist.

Requirements

As you will be operating in Tasmania, there is a legislated requirement that you hold a Working with Vulnerable People authority, and a Tasmanian Public Passenger Vehicle licence. You do not need to hold them to submit your expression of interest – but you will need to attain them before we can commence employment. We will also ask you to obtain a National Police Check and to be prepared to undertake a pre-employment medical including Drug and Alcohol screening.

What we offer

In the current COVID-19 restricted business environment, and as the Tasmanian winter approaches, we currently have limited touring taking place, however we are keen to engage with drivers now to plan for the season ahead.

We can offer full time work in a variety of other driving roles throughout the business. Or, if you are only interested in a seasonal contract from September 2020 to May 2021 we are happy to consider that too.

COVID Preparedness

Due to COVID-19, a large amount of touring work has been deferred and we are looking to make sure we are ready to hit the ground running once the domestic tourism market re-opens. We have the bookings ready and waiting, and are looking for drivers who are able to show the Australian domestic travel market just how wonderful and unique our beautiful state of Tasmania is.

At Redline we are Tasmania's most experienced and prepared COVID Safe transport company and we look forward to working with you to continue to provide high quality and safe coach transport tours.
